

National Guard Bureau

NGB Vision

*To “provide for the common defense”... of the nation, the **National Guard Bureau provides the leadership and resources** required to set the standard for the world’s premier reserve force, the National Guard of the United States. Our **destiny is to respond** to current and future worldwide commitments of the National Security Strategy with community-based, dedicated, **citizen-soldiers and airmen**; well-trained, organized, and supported with **state of the art technology and equipment.***

NGB Mission

To acquire, manage, and distribute Army and Air National Guard resources; to develop and administer policies and programs in support of the National Security Strategy; to act as the “Channel of Communications” between the Services and the National Guard of the States, Territories and the District of Columbia as well as other internal and external agencies for the successful accomplishment of CONUS and OCONUS missions.
